Customize Your Ride Over The Winter!

Below Picture is a Harley Trike from Hannigan.

What does it take to customize your ride! At Hamilton Motosport Kingston, we have what it takes to do the job. Dedication and honesty to our customers is one key to success that we bring to the table. Helping you chose your customization program is our way

of helping you achieve a stunning and different bike from the group!

From Chrome, lights, front end, back end to mufflers, we have it all at fair prices and good customer service. See us today and we can help you over the winter.

OUR SERVICE CENTER IS SECOND TO NONE

Brakes, tires, carbs, systems, we can help you! We specialize in Harleys and Metric bikes, you will be treated right for service at HMS. Paul Doker, the head mechanic, has seen it all over his 30 years of experience. His diagnostic sense is second to none in the industry. See him for all your service needs.

Bike Auction Club

Our bike auction is the newest way to buy a bike. High quality motorbikes and ATV's direct from auction. We fully certify all units and provide a 1 to 5 years 50/50 warranty program on all Motorcycles purchased thru Hamilton Motosport Kingston.

How does it work?

1. Tell us what you want, ie: HD - Metric - ATV.
2. Come see us, we will explain the way it works and costs.
3. We will then send you photos and condition reports for your type of bike on the next auction.
4. We will get you pre-financed if required.
5. Attend the auction live on the web at Hamilton Motosport and watch Bobbie bid on the bike you want.
6. The bike is delivered to you fully certified!
7. You save big bucks and have fun!

WINTER STORAGE BOOKINGS

Winter storage is lurking, but still time to ride! Visit our website at www.hamiltonmotosport.com and book your storage needs today. Remember, any accessories over the winter are free installation and you may qualify for free storage on volume customization.
